Solid collection

High quality and homogeneous colours that will guarantee a uniform and outstanding finish.

STACBOND® provides a wide range of standard colours that will allow your creativity to have no limits.

Colores homogéneos y lacados de alta calidad que aseguran un acabado uniforme y excepcional.

STACBOND® dispone de una gran selección de colores estándar para que sus proyectos creativos no tengan límites.

Des couleurs homogènes et de très haute qualité qui assureront une finition uniforme et exceptionnelle.

STACBOND® offre une grande variété de couleurs standards pour que vous puissiez concevoir des nouveaux projets sans limite.

The STACBOND® panel has an external 5005 and internal 3005/3105 aluminium alloy and is **coated with the highest quality paint** that offers the **highest resistance to ageing**.

The manufacture of STACBOND® composite panel follows a controlled process by way of **rigorous tests and quality controls**.

El panel STACBOND® posee una capa exterior de aluminio de aleación 5005 e interior 3005/3105 y está **lacado con pintura de la más alta calidad**, ofreciendo la **más elevada resistencia al envejecimiento**.

La fabricación del panel composite STACBOND® sigue un proceso controlado mediante **rigurosos ensayos y controles de calidad**.

Le panneau STACBOND® possède une couche en aluminium d'alliage 5000 en face extérieure et 3005/3105 en face intérieure, laqué avec une **peinture de la plus haute qualité**, offrant une résistance plus élevée face au vieillissement.

La fabrication du panneau composite STACBOND® répond à un processus de contrôle rigoureux validé par des **essais et des audits de qualités**.
